Greetings in the name of our Lord Jesus Christ,

The time is getting short and our departure is at hand. We have been working double time to get our affairs in order prior to heading out full time on deputation. Events have been predictably hectic so much that one could almost gauge by the havoc the exact hour that we hit the road. But His Grace is sufficient. Please pray that the Lord pours this ever needed Grace out on us.

My secular work is winding to an end and as much as I am looking forward to getting started on the deputation trail I am going to sincerely miss those whom I have gotten to know so well over the years. This company that I have been working for was established back in 1923 by using the same congenial means as of that which weaves the fabric of a closely knit family. Some of these people I have only known for less than a year, some I have known since 2001 and yet one in particular, Jack Dwyer, I met back in 1988, years before I met my Lord and Savior Jesus Christ. I am still praying for a fleeting opportunity to get in one last witness to these wonderful people so that they too might be able to see the light of God through the smoke of the world and realize their need to be saved from Hell.

Meanwhile I have had a chance to spend some time with a couple of my most recent converts. Brother Johnnie Dullin, save almost 2 years ago has answered the call to preach and is also stepping up to the plate by taking over some of the duties in the church that I will be leaving behind. I got a chance to fellowship and discuss the things of God one last time with Brother Mike Brady who was saved less than a year ago. I also got together with Brother Danny Valdez, saved December 4, 2007, for some Bible Q&A along with a burger. Brother Danny is the newest in the Lord and like Brother Johnnie, shows a spark of something that may lead him to attempt great things for God. Please pray for his wife, that she too can get a glimpse of light through the thick cloud of the Roman storm that is blinding her and also blinded me for thirty two years. One thing that Danny blessed me with was when he told me that just last Sunday he led his 15 year old brother Alonzo to the Lord! Bringing sinners to Jesus one soul at a time!! Whooooooooooo! To God be the Glory!

In His Service,  
Brother John Byrer and Family
